

# CESQG Certification

Dickinson County Recycling Center  
2260 220th St. | Milford, IA 51351  
Phone/Fax: 712-338-2549  
Email: dickinson@qwestoffice.net

---

I certify that I am a generator of hazardous waste within the State of Iowa and that because of the small volume of hazardous waste generated and/or stored, I qualify for conditionally exempt small quantity generator status.

I understand that to qualify for conditionally exempt small quantity generator status, I must meet both of the following conditions (as defined by 40 CFR Section 261.5):

1. Generate less than 1 kg/month (2.2 pounds) of acute hazardous waste, and never store more than this amount on site at any time; and
2. Generate less than 100 kg/month (220 pounds) of all other hazardous waste, and never store more than 1,000 kg (220 pounds) on site at any time.

I further understand that if, in the future, I exceed the quantity limitations described above, I will become subject to additional regulations as a hazardous waste generator and will no longer be eligible to participate in this type of collection program.

**I certify that I have the right to make these statements on behalf of my firm or business.**
